## **LAKE ACTIVITIES COMMITTEE REPORTS**

**Boat Parade:**

### **11th Annual CLCA Boat Parade Report:**

The boat parade was rescheduled to Tuesday July 4, 2023 due to rain showers on the original date of July 2, 2023. This year we had 13 decorated and registered boats. The creativity was outstanding this year! The boats were judged by the CLCA Membership via an electronic voting site. Every CLCA Member was able to cast 1 vote per membership. Rumor has it that CLCA received about 10 new (mostly young adult) memberships as a result of this voting process. That's a WIN, WIN!

The winner of this year's boat parade went to Bubble Trouble. The Franz, Peck, Boswell Families and Miami Friends

52 total votes

- 1st place: Bubble Trouble | Franz — 38% of vote
- 2nd place: Dave's Jurassic Park | Cannon — 30% of vote
- 3rd place: Just Married | Kaiser Turiano - 11%

The reception was well attended. Due to the rescheduled date and possible fewer attendees, we paired down the menu. We served hot dogs with variety of toppings, pickles, cheese, chips, watermelon, cookies, beer, wine, punch, soda and water. All leftover condiments, toppings, desserts, wine, soda, juice, cups, plates & napkins were given to Jana for the the CLCA picnic the following weekend.

**Water Sports Clinic:**

On Saturday, July 29th the CLCA's annual Watersports Clinic was held at the Halverson lake house on Dolgeville Point, to solid success, despite the developing risks of rain and thunder in the afternoon. Four boats and a jet ski were on hand to help about 18 children and adults learn or improve their skills, from water skiing to wave-boarding, knee-boarding, and wake surfing. Great thanks go out to the boat owners who volunteered their time and equipment to help those at various skill stages. A life guard was found and delivered from far in the north to great fanfare, also allowing the event to occur, and ultimately the weather held out just long enough.

### **Ice Cream Extravaganza:**

Once again Stewart's Shops donated the ice cream and all the fixing to create a wonderful day of visiting with old friends, making new friends and eating ice cream to your heart's content. Dixon apprenticed Kenny Luttman, along with his friend Nora, on how to create the wonderful root beer floats, creamsicles, and coke floats. The event was very well attended with some 75+ in attendance.

**Lake Luncheon:**

The CLCA Luncheon was held on July 19th at the Pine Lake Pavillion. Over 60 members and guests enjoyed socializing and enjoying a wonderful meal topped off by ice cream sundaes! It was so nice to continue this great summer season tradition.

The staff at the Pine Lake Pavillion did a great job. Many thanks to Mary Jablonski and Lois Miller for a great job organizing the event and selling tickets, Audrey Smith for greeting attendees, and Deb Radek and Liz Harazin for creating lovely centerpieces which made great take home prizes for each table.

**Picnic:**

This year's annual CLCA picnic was scheduled for July 9th but mother nature had other plans. Due to the weather forecast it was postponed to July 23rd and what a beautiful day that was!

We had returnees and new friends in attendance. I would say probably about 80 people or so. It's hard to count when you're having so much fun!

We served pulled pork, hot dogs, chicken thighs, and many side dishes and desserts brought by picnic goers.

We came in under budget again spending between \$800 & \$900.

Thank you to Merryn of the Canada Lake Store for all your hard work and help with ordering the food and for also being so accommodating with the postponement.

Thank you to the picnic committee for your help and support. Audrey Smith, Rick & Kathy Fink, Brian & Kristin Franz and Sharon Terranova for your cleanup help although not even on the committee.

Next year's event is back to a Saturday and scheduled for July 20, 2024. Mark your calendars as this is a wonderful event and the perfect opportunity to meet fellow Canada Laker's.

Jana & Tom Dykeman

Jana sent a multitude of photos that I am not having any luck sending on to all of you!!!

**Youth Activities:**

On Saturday, July 22, the CLCA Youth had a fantastic Luau at the Poulos residence. Over 10 kids ranging in ages got together to swim, eat, socialize and bury each other in the sand. We had kids from Dolgeville Point and Green Lake who braved the windy start to the day but became fast friends by the end of the event. It was a perfect way to celebrate the middle of summer at the lake!
